President's Message

It is hard to believe another summer is almost over and I hope everyone has enjoyed this Spring and Summer at Cedarbrook. I would like to update you on a few things.

Golf Course – I believe we are all aware of what a great golf course we have at Cedarbrook but in my 30 plus years as a member I have never seen the course in better condition, even with the severe drought. Thanks to Tim Brown and his staff for all their hard work. The sod work on holes 7, 14, 15 and 16 has improved the aesthetics and playability of the course tremendously.

Membership – Our membership is approximately 435 members

compared to 419 members at the beginning of the year. A major factor in Cedarbrook's on going success is maintaining an active membership. I encourage each of you to utilize the services at Cedarbrook and to continue to encourage your friends and associates to join us at Cedarbrook.

July 4th Drawdown - The July 4th Drawdown was a tremendous success. The club raised over \$31,000 and all those present had a great day of entertainment. Special thanks to Mary Renegar, Angie Shore, Cathy Folger, Susie Smith, Mitzi Davis, Paula Gupton and Debra Zimmerman for their efforts in organizing this

event. And special thanks to Janie and David Steelman for their assistance. Current projects being funded by the drawdown are new pool furniture, entrance signage and repairing the wash area beside #4 green.

Course etiquette – We continue to have more instances than is acceptable of members and guests who don't repair ball marks, rake bunkers and drive carts in restricted areas. Please obey the common rules of etiquette as we strive to have the best facility possible.

Staff – I would like to welcome Mr. Neil Moss, our new Food and Beverage Manager, to Cedarbrook and thank Zim and his staff Tim Brandt, Nathan Grit and Carson Jernigan for all their efforts for a great 1st half of the year.

Thank you all for your continued support.

A Message from the Desk of Zim Zimmerman

Please welcome Neil Moss, our new Food & Beverage Manager from Mount Airy to the Cedarbrook Country Club team and family. Neil has worked extremely hard his first month on board and has our Food & Beverage moving in the right direction. If you haven't used the Food & Beverage facilities recently, please come in and introduce yourself to Neil and give him and Cedarbrook your support; and enjoy a great Cedarbrook Grill and Restaurant experience.

As we all know, it has been a hot, dry, and busy summer. We have only had a few inches of rain since May. Timmy and his staff have done a tre-

mendous job having the golf course in the best shape it has ever been in even during these severe drought conditions. Our water source is getting in a very critical state. Due to the shortage of water, we stopped watering the fairways around the fifteenth of August in order to save water for the tees and greens. Please pray for rain for our community and for our facility.

contact Tim Brant, Nathan Grit, Carson Jernigan, or myself with any of your golf needs.

The tournament schedule has been very successful and enjoyed by many members and their guests. A special thanks to Kerry Cooke, Tournament Chairman, for his total involvement and commitment to the golf events.

"Thanks to the Membership for their support and participation in the Drawdown Project."

This has been a year where the golf facilities have had opportunities and challenges. The Cedarbrook staff has met these challenges with their best foot forward and a special thank you goes out to all staff members.

I would like to say thanks for the membership support of the facility in '08. Cedarbrook has a great facility located on a well kept 250 acres. We hope that you and your family will continue to support and enjoy our facility. The Board of Directors has worked very hard over the last five years with the expansion of Cedar-

brook to give you and your family the best value for the dollar along with a great experience. This Board has each and every one of you in their best interest as they make decisions for the club.

I personally would like to thank David Renegar for his vision for the '08 Drawdown Project that took place on July 4th. There was a tremendous amount of great and positive comments made about this event. It was one of the best events that has taken place at Cedarbrook. Another special thank you to Mary Renegar for heading this committee and for working hard to ensure the success of this project. Thanks again to committee members; Van and Angie Shore, Mitzi Davis, Cathy Folger, David and Janie Steelman, Paula Gupton, and Susie Smith for their hard work and assistance. And of course thanks to the membership for their support and participation with this project and their support of this great facility.

In closing, with fall of the year approaching, it is a great time to play and enjoy our new Club Car golf cars which were purchased in April. If I can be of any assistance in anyway to make your experience better, my door is always open.

Warmest regards,
Zim

From Tournament Central

The tournament scene at Cedarbrook Country Club has been very exciting this year with many great shots along with the fun and fellowship that everyone has enjoyed at the club sponsored events. I would like to start off by saying THANKS to the staff: Zim, Tim and Nathan do an excellent job in organizing and running the tournaments; Neil and his food and beverage staff for their hard work; and let's not forget Timmy, Todd and the entire maintenance crew for their outstanding work in keeping the course in great shape during the entire season. Listed are some of the tournaments that have already taken place this season: MEMBER-MEMBER, JULY 4TH BIG BUCKS, JOE WOOD MEMORIAL, MEMBER-GUEST, 3 PLAYER CAPTAINS CHOICE, NIGHT GOLF, STUFF SHOOT-OUT and the MIXED COUPLES EVENTS that we have throughout the year. If you have not participated in any of the club events this season, don't worry, you still have a chance with the CLUB CHAMPIONSHIPS coming up. The tournaments are designed for all skill levels, so if you think your game is not up to the task, get that idea out of your mind and come out and enjoy the tournaments that the club offers. Try it!!

Coming soon: The annual HALLOWEEN tournament along with our 1st annual CEDARBROOK MEN'S INVITATIONAL which both will take place in October, so get prepared and I want to see some new faces in the tournament fields that I haven't seen in a while. You can check out tournament results on the Cedarbrook website.

Thanks, Kerry Cooke
Tournament Committee Chairman

From the Waves of Cedarbrook Pool

It is hard to believe that another summer of fun has already passed at the Cedarbrook pool. As many of you know, we had a wonderful time at the July 4th drawdown. With some of the proceeds from this event we have purchased new umbrellas and beginning next season we will have new pool furniture. We want to thank our lifeguards for this year, Krissy Jordan, Tyler Transou, and Austin Beshears. We would also like to thank Brent Cornelison and the Elkin Recreation and Parks for their assistance. Also, thanks to Tim Brown for his maintenance efforts at the pool.
